

From the Principal's Lectern

Fr. Sheejo Attupuram CMI

As we welcome the New Year, we also joyfully celebrate Pongal, the festival of thanksgiving and harvest. This auspicious season invites us to pause, reflect, and express gratitude for the blessings we have received-knowledge gained, efforts made, and growth achieved as a school community.

The past year has been a meaningful journey of learning, resilience, and shared achievements. Through academic pursuits, co-curricular activities, and values-based education, our students and staff have worked diligently to overcome challenges and celebrate successes. This time of reflection helps us evaluate our progress and renew our commitment to excellence.

The New Year and Pongal together remind us of the importance of new beginnings, right decisions, and hopeful dreams for the future. As farmers sow seeds with faith and patience, let us also sow seeds of discipline, curiosity, and compassion in the hearts of our students. With clear goals and collective effort, we look forward to a future filled with growth and achievement.

May this New Year and Pongal bring prosperity, wisdom, good health, and happiness to every member of our school family. Let us move forward together with gratitude in our hearts and determination in our actions.

Happy New Year and Pongal!

Fr. Joseph Simon CMI

Dear Students,

As we step into the New Year 2026, I want to take a moment to share my heartfelt wishes with each one of you. The year ahead is full of new opportunities, challenges, and the chance to grow in ways you never imagined.

Remember, every day is a fresh start. It's a chance to learn something new, overcome obstacles, and build the future you dream of. Whether it's in the classroom, on the sports field, or in your friendships, believe in yourself and keep moving forward with determination.

Let this New Year be a reminder that no goal is too big, and no dream is too far. You have the power to shape your future, and our School is here to support you in every step you take.

Stay curious, stay kind, and most importantly, stay hopeful. Together, we will make this year one to remember. I look forward to seeing all the amazing things you will achieve!

Wishing you all a happy, successful and prosperous New Year 2026!

ROOM FOR LANGUAGE

Welcome to Room for Language, a special corner in our newsletter where we explore the fun, creativity, and beauty of English! Here, you can enjoy interesting words, idioms, grammar tips, literary devices, and language activities that make learning English exciting and engaging.

Portmanteau words

Portmanteau words are created by blending two separate words together to form a new word that combines the meanings of both. This makes language fun, creative, and expressive, and it allows writers and speakers to describe ideas in a concise and imaginative way.

These words are used widely in everyday language, media, advertising, and literature. For example:

Smog = Smoke + Fog → refers to polluted fog in cities

Brunch = Breakfast + Lunch → a late morning meal combining breakfast and lunch

Infomercial = Information + Commercial → a television advertisement that provides information about a product

Portmanteau words not only enrich vocabulary but also encourage students to think creatively about language. By experimenting with combining words, students can invent new expressions, making their writing unique and playful.

Activity for Students: Try creating your own portmanteau word by picking two things you like and blending them. For example, “Snackfast” (Snack + Breakfast) or “Chillax” (Chill + Relax). Share it with your friends and see who can come up with the most creative word!

Editorial Desk

The Wise Farmer and the New Year

Once upon a time, there was a wise farmer who was preparing for the New Year. As he walked through his fields, he reflected on the past year. There had been storms that destroyed crops, droughts that tested his patience, and pests that challenged his efforts. Yet, he also remembered the lessons he had learned, the small successes he had achieved, and the joy of seeing his hard work bear fruit.

Looking at the empty fields before him, he thought, “The New Year is like a blank canvas. What I plant today will grow tomorrow. If I work with patience, care, and honesty, this year can be better than the last.”

His neighbours laughed at his careful planning. “Why worry so much about the future? Let things happen as they may,” they said. But the farmer smiled and replied, “Every day is an opportunity to sow seeds—of hard work, kindness, and good deeds. If we nurture them, we will reap their rewards.”

Throughout the year, the farmer worked diligently. He took care of his crops, helped his neighbours when needed, and stayed patient during difficult times. By the end of the year, his fields flourished, and he had a bountiful harvest. More importantly, he had grown wiser, kinder, and more grateful for each day.

Moral: The New Year is a fresh beginning. What we sow in thoughts, actions, and kindness today, we will reap in the days ahead. Hard work, patience, and good intentions can turn challenges into opportunities for growth and success.

TEACHERS' DAY CELEBRATION

Teachers' Day was celebrated on September 6 with great respect and appreciation in the school. The programme was well organized by the Cabinet Members. Rev. Fr. Joseph CMI, Correspondent, delivered an inspiring message, appreciating the dedication, commitment, and selfless service of teachers in shaping young minds. Various fun-filled games and activities were conducted, creating a joyful atmosphere. Gifts were also distributed to all teachers as a token of love and gratitude. The celebration concluded on a happy and memorable note.

A CBSE TEACHERS' TRAINING PROGRAMME FOR TEACHERS.

A CBSE Teachers' Training Programme was organized on September 30 with the objective of enhancing teachers' professional competencies and aligning classroom practices with the vision of the National Education Policy (NEP) 2020. The programme was conducted by Mr. Joji Paul, Principal of Benchmark International School, Tirur, who served as the Master Trainer, under the able guidance of Mentor S2 AAF, CBSE Master Trainer.

The session provided a detailed understanding of the pedagogical structure proposed in NEP 2020, emphasizing learner-centred, experiential, and competency-based education. Special focus was given to Early Childhood Care and Education (ECCE) and foundational learning, highlighting the importance of nurturing children in the foundational years. The

training also covered Foundational Literacy and Numeracy (FLN), stressing effective strategies to strengthen reading, writing, and numeracy skills at the primary level.

Further, the National Curriculum Framework (NCF) was discussed in detail, helping teachers understand curriculum planning, assessment reforms, and holistic learning approaches. The programme concluded with an insightful session on Pancha kosha Vikas, which emphasized the integrated development of the physical, emotional, intellectual, social, and spiritual dimensions of learners.

Overall, the training programme was highly informative and enriching, equipping teachers with valuable insights and practical strategies to implement NEP 2020 effectively in classrooms.

Cultural fest SYMPHORIA 2025-26

The Cultural Fest Symphoria 2025–2026 was a vibrant celebration conducted on the 9th and 10th, aimed at igniting students' passions and providing a meaningful platform to showcase their talents. To ensure the smooth conduct of events, six stages were allotted across the campus—Stage 1 at the Mount Carmel Auditorium, Stage 2 at the Lisieux Hall, Stage 3 at St. Chavara Hall, Stage 4 at Mother Teresa Hall, Stage 5 in the classrooms, and Stage 6 in the Old Grade I room. The well-planned arrangement of multiple stages enabled active participation and contributed significantly to the grand success of the fest.

The valedictory celebration, held on October 10 in the afternoon, was graced by the esteemed presence of Rev. Fr. Danny Kokkadan CMI, whose inspiring words added dignity and motivation to the occasion. The programme was further enriched by a spectacular house-wise presentation show. Competitions were conducted on the

theme “Digital Dystopia”, where students presented creative, thought-provoking performances highlighting the impact of the digital world. These presentations reflected students' awareness, creativity, and collaborative skills, making the valedictory ceremony both meaningful and memorable.

Several students delivered exceptional performances throughout Symphoria 2025, earning wide appreciation for their talents. Their dedication and excellence culminated in the awarding of the prestigious Kala Prathibha prizes to the top scorers. The Blue House emerged as the overall winners, while the Yellow House secured the second position. The festival concluded on a high note, celebrating creativity, teamwork, and the strong spirit of camaraderie within the school community.

CHILDREN'S DAY CELEBRATION

Children's Day was celebrated on 14th November 2025 with great joy and enthusiasm. Teachers presented excellent dance performances and a meaningful mime in honour of Children's Day, which were warmly appreciated by the students. A short film titled "Power of Hope" was also screened for the students, conveying an inspiring message and leaving a lasting impact. The celebration created a joyful atmosphere and made the day memorable for all the children.

INTER-SCHOOL CAROLS SINGING COMPETITION

On December 6, 2025, our students from Grades 4 to 8 showcased a captivating performance at the Inter-School Carols Singing Competition held at Arokiamatha Matriculation Higher Secondary School, Mahalingapuram, Pollachi. Competing against several schools, our students delivered a range of Christmas tunes, impressing the judges with their melody, harmony, and enthusiasm.

Our young maestros participated in the Junior and Sub-Junior categories, demonstrating remarkable talent and team spirit. Special thanks to Ms. Angel Nargis for her dedicated training and motivation

OLYMPIAD EXAMS – TALENT SEARCH

The Talent Search Exam, organized by India Talent Olympiad, is one of the most prestigious competitions for students, covering subjects such as Science, Mathematics, English, General Knowledge, Social Studies, and Computers. It provides a platform for students to explore their interests, discover their strengths, and nurture their unique talents.

In November 2025, our students from Grades 1 to 8 enthusiastically participated in the Olympiad exams across various subjects. Their participation not only enhanced their knowledge and skills but also encouraged them to pursue their passions and strive for excellence.

STUDENTS' EDUCATIONAL TOUR

The school organized a students' tour in three well-planned phases to provide age-appropriate, safe, and enjoyable travel experiences for all students. The tour aimed to offer relaxation, experiential learning, and opportunities for students to bond beyond the classroom environment.

The first batch, comprising students from KG-I to Grade I, visited Kovai Kondattam, Coimbatore on 8th November 2025. The young learners enjoyed a fun-filled day with water rides and recreational activities in a safe and supervised environment, making the trip a joyful and memorable experience.

The second batch of students from Grades II to IV travelled to Fantasy Park, Palakkad on 22nd November 2025. This trip offered a blend of entertainment and exploration, allowing students to enjoy various rides while developing social interaction, cooperation, and enthusiasm for outdoor activities.

The third batch, consisting of students from Grades V to VIII, visited Snow Storm and Silver Storm, Athirapally Falls on 2nd January 2026. Students experienced the thrill of snow-themed activities at Snow Storm and adventure-packed experiences at Silver Storm, along with the scenic beauty of Athirapally Falls. The visits encouraged teamwork, discipline, and responsible behaviour, while providing excitement and educational value.

Overall, the students' tour was well organized and successful, providing joyful memories, strengthening peer relationships, and enriching students' learning through real-world experiences.

LIT FEST 2025

The Lit Fest 2025 commenced with great enthusiasm, with participation from students of Grade 1 and Grade 2. The programme began with a heartfelt prayer, followed by a warm welcome address delivered by Jamil Asan of Grade 2. A brief elaboration about the objectives and activities of the festival was presented by Communicative English Trainer, Surya, highlighting that the aim of the program was to improve the students' communicative abilities and foster confidence in language skills.

The students actively participated in various fun and educational activities. For Grade 1, activities included Mirror Mirror, Station Majest Chef, and Storytelling,

which encouraged creativity, imagination, and verbal expression. Grade 2 students enjoyed interactive games such as Tone Mis-Matching and Rhymesh Rush, promoting listening skills, vocabulary, and collaborative learning.

The event concluded with a vote of thanks by Sathvika of Grade 2B, expressing gratitude to the organisers and participants. The Lit Fest provided a vibrant platform for young learners to showcase their talents, enhance their communication skills, and enjoy learning through engaging activities.

Santa Fest 2025 The Christmas celebration

The school joyfully celebrated the spirit of Christmas with a vibrant and heartwarming program, Santa Fest 2025. The celebration began with an opening prayer, invoking God's blessings and filling the assembly with peace and devotion. This was followed by a warm welcome address by Ms. Yalini A.K. of Grade 8, who set a cheerful and festive tone for the day.

We were honoured to have Rev. Fr. Dr. Antony Puthenangady CMI, a distinguished Clinical Counselling Psychologist from Bharathamatha Ashram, Palakkad, as our chief guest. He shared an inspiring Christmas message, reminding everyone of the true meaning of love, compassion, and the joyous celebration of the birth of Jesus Christ.

The students enthralled the audience with festive performances, starting with a delightful dance by Grade 1-A, followed by a melodious choir presentation, and a graceful dance by Grade II-B. The highlight of the celebration was the Nativity play, beautifully enacted by our talented students, bringing to life the story of Jesus' birth and spreading the message of hope and goodwill.

Prize distribution was held on behalf of Christmas competitions, recognizing the efforts, talents, and achievements of students from kindergarten to Grade 8. The winners were applauded for their creativity and dedication, celebrating their accomplishments in the festive spirit. The event also included a fun-filled Santa dance and a ceremonial cake-cutting, spreading joy and excitement among all participants.

The program concluded with a heartfelt vote of thanks by Tejaas of Grade 7, expressing gratitude to the chief guest, dignitaries, teachers, students, and all who contributed to making Santa Fest 2025 a memorable celebration. It was truly a day filled with love, laughter, and the joyous spirit of Christmas.

FOOTBALL CLASSES INITIATED FOR STUDENTS

From 6th October 2025, the school has successfully initiated football classes for the students, aiming to promote physical fitness, coordination, and teamwork. The program provides a platform for students to learn the fundamentals of football, practice their skills, and develop strategic thinking on the field.

The sessions have been designed to be interactive and engaging, encouraging students to participate actively while fostering sportsmanship and discipline. This initiative not only helps in nurturing young talent but also inspires a healthy and active lifestyle, motivating students to balance academics with physical well-being.

The school looks forward to seeing the students grow in confidence, skill, and team spirit through this exciting sports program.

5th District Level Chess Tournament

Students from our school participated in the 5th District Level Chess Tournament, conducted at Avane Chess Academy, Sree Saraswathi Thyagaraja College. Competing with students from various schools, our participants showcased excellent strategic skills and sportsmanship.

We are proud to share that Jesslin Jia from Grade 6 secured 3rd place, and Fabio from Grade 2B won 2nd place in their respective categories. Their achievements made the school proud and highlighted their talent and dedication in the game of chess.

CLASS DAY PERFORMANCES

INDIAN AIR FORCE DAY

As part of their Class Day performances, Grade 4 students celebrated Indian Air Force Day through a special presentation highlighting the bravery and dedication of our air force personnel. Their program, based on Operation Sindoor, included skits and informative speeches, providing insights into the courage, strategy, and achievements of the Indian Air Force.

The performance was both educational and inspiring, helping students appreciate the sacrifices and patriotism of those who serve our nation.

On 13th November 2025, Grade 3 students commemorated World Tsunami Awareness Day with an engaging program to educate the school community. They presented an informative skit as well as a dance performance, aimed at creating awareness about tsunamis, their impact, and the importance of safety measures.

The presentation was both educational and impactful, helping students understand natural disasters while promoting a sense of responsibility and preparedness.

WORLD TSUNAMI AWARENESS DAY

FARMERS' DAY CELEBRATION

On 4th December 2025, Grade 2A students celebrated Farmers' Day with a wonderful presentation highlighting the importance of farmers and their contributions to society. Their performance was both informative and engaging, helping the audience appreciate the hard work, dedication, and vital role of farmers in our daily lives.

The program was a meaningful and inspiring celebration, instilling respect and gratitude for the farmers who sustain our nation.

KG's CORNER

YELLOW DAY

September 12 2025

On September 12, 2025 Yellow Day was celebrated cheerfully by the KG I students. The children came dressed in yellow-colored outfits and identified yellow objects around them. As a fun activity, they did bud printing using yellow paint to create bright and beautiful patterns. The activity helped develop their creativity and fine motor skills, making the celebration joyful and engaging.

On September 15, 2025 Birds Day was celebrated enthusiastically by the KG II students. The children spoke a few lines about different birds and shared interesting facts with confidence. They also learned about the importance of birds and how to protect them. The celebration helped improve their speaking skills and created awareness about caring for birds in a fun and meaningful way.

BIRDS' DAY September 15 2025

ORANGE DAY

September 18 2025

On September 18, 2025 Orange Day was celebrated with great joy by the Pre-KG students. The children came dressed in orange-colored outfits and learned to identify orange objects around them. As a fun activity, they did bud printing using orange paint to create beautiful patterns. The activity helped enhance their creativity and fine motor skills, making the celebration lively and enjoyable.

FLOWERS DAY November 18 2025

On November 18, 2025 Flowers Day was celebrated joyfully by the Pre-KG students. The little ones learned about different flowers and their colors through fun interactions and rhymes. As a creative activity, the children did vegetable printing to make beautiful flower patterns using paint. This activity helped develop their creativity and sensory skills while making the celebration colorful and enjoyable.

VEGGIE DAY

November 21 2025

On November 21, 2025 Veggie Day was celebrated with great excitement by the KG I students. The children brought different vegetables from home and learned about their names and health benefits. As a fun and creative activity, they made a vegetable face on a plate using various veggies. The activity encouraged creativity, healthy eating habits, and made learning about vegetables enjoyable for the children.

GRANDPARENTS DAY November 28 2025

On November 28, 2025 Grandparents' Day was celebrated warmly by the KG II students. The children spoke lovingly about their grandparents and learned about the importance of family bonds. As a special activity, they created a family tree photo frame by pasting pictures of their grandparents and family members. The celebration helped the children express love and respect for their grandparents and understand the value of family in a joyful way.

PURPLE DAY December 2 2025

On December 2, 2025 Purple Day was celebrated with great excitement by the Pre-KG students. The little ones came dressed in purple-colored outfits and brought purple objects from home. They enjoyed learning about the color purple through fun interactions and rhymes. As part of the activity, the children colored pictures using purple crayons, which helped develop their creativity and hand-eye coordination. The celebration made learning the color purple enjoyable and engaging for the tiny tots.

RED DAY December 8 2025

On December 8, 2025 Red Day was celebrated with great enthusiasm by the KG I students. The children came dressed in red-colored outfits and brought red objects from home. They participated in fun activities like identifying red fruits, flowers, and toys. As a creative activity, the children pasted crushed red paper on an apple picture, which helped improve their fine motor skills. The celebration made learning about the color red joyful and memorable.

TRANSPORT DAY December 15 2025

On December 15, 2025 Transport Day was celebrated with great joy by the KG II students. The children came dressed as different modes of transport such as cars, buses, trains, and airplanes. They confidently spoke a few lines about the vehicles with dummy models. They also speak about transport and enjoyed fun activities related to road safety and travel. The celebration helped the children learn about different means of transport in a lively and joyful way.

NEW GIMMICKS **Solar-Powered Backpack**

Innovation continues to make life easier and more sustainable! One of the latest inventions is the solar-powered backpack, designed to charge electronic devices like phones, tablets, and laptops while on the move. Equipped with flexible solar panels, it converts sunlight into energy, making it perfect for students, travelers, and outdoor enthusiasts.

This invention not only promotes renewable energy but also encourages practical and eco-friendly solutions in daily life. It's a perfect example of how creativity and technology can work together to solve real-world problems.

Fun Fact: Some solar backpacks even come with built-in LED lights and USB ports, making them useful for both school and adventure trips!
